 - (i) to ordinary shareholders in proportion (as nearly as may be practicable) to their existing holdings; and
 - (ii) to holders of other equity securities as required by the rights of those securities or as the Directors otherwise consider necessary, and so that the Directors may impose any limits or restrictions and make any arrangements which they consider necessary or appropriate to deal with any treasury shares, fractional entitlements, record dates, legal, regulatory or practical problems in, or laws of, any territory or any other matter.

The authorities under paragraphs (A) and (B) will expire on the date of the AGM of the Company to be held in 2019 or, if earlier, 20 September 2019. To consider and, if thought fit, pass resolutions 6 and 7, which will be proposed as special resolutions:

That if resolution 5 is passed, the Board be authorised to allot equity securities (as defined in Section 560(1) of the Companies Act 2006) for cash under the authority given by that resolution and/or to sell ordinary shares held by the Company as treasury shares for cash as if Section 561 of the Companies Act 2006 did not apply to any such allotment or sale, such authority to be limited:
- (A) to the allotment of equity securities for cash in connection with an offer of, or invitation to apply for, equity securities (but in the case of the authority granted under paragraph (B) of resolution 5, by way of a rights issue only):
 - (i) to ordinary shareholders in proportion (as nearly as may be practicable) to their existing holdings; and
 - (ii) to holders of other equity securities as required by the rights of those securities or as the Directors otherwise consider necessary, and so that the Directors may impose any limits or restrictions and make any arrangements which they consider necessary or appropriate to deal with any treasury shares, fractional entitlements, record dates, legal, regulatory or practical problems in, or laws of, any territory or any other matter ; and
 - (B) to the allotment of equity securities or sale of treasury shares (otherwise than under paragraph (A) above) up to a nominal amount of £80,703, representing approximately 10% of the Company's issued share capital.

The authorities under paragraphs (A) and (B) will expire on the date of the AGM of the Company to be held in 2019 or, if earlier, 20 September 2019.

7. A proxy need not also be a member of the Company but must attend the AGM in order to represent his appointer. A member may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares (so a member must have more than one share to be able to appoint more than one proxy). Any corporation which is a shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a shareholder provided that they do not do so in relation to the same shares.

Any changes to the register of members after such time shall be disregarded in determining the rights of any person to attend or vote at the AGM.

Other matters

Please note that communications regarding the matters set out in this Notice of Annual General Meeting will not be accepted in electronic form.

As at 22 May 2018, the latest practicable date before the publication of this Notice, the Company's issued share capital consists of 80,703,381 ordinary shares of £0.01, each of which carries one vote. There are no ordinary shares held in Treasury. Therefore, the total voting rights in the Company as at that date are 80,703,381.

Explanatory notes to the business of the AGM

The notes on the following pages give an explanation of the proposed resolutions.

Resolutions 1 to 5 inclusive are proposed as ordinary resolutions. This means that for each of these resolutions to be passed, more than half of the votes cast must be in favour of the resolution.

Resolutions 6 and 7 are proposed as special resolutions. This means that for each of these resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 1 – Annual Report and Accounts

The Directors must lay the Company's Accounts, the Directors' Report and the Auditor's Report before the shareholders in a general meeting. A copy of the accounts and reports is available on the Company's website for investors.

Resolution 2 – Re-election of Director

Resolution 2 is to re-elect Mr Clive Carver in accordance with articles 80 and 81 of Company's Articles of Association, as a Director of the Company.

Resolutions 3 and 4 – Appointment and remuneration of Auditor

The Company is required to appoint an auditor at each general meeting at which accounts are laid before the shareholders, to hold office until the end of the next such meeting.

Resolution 3 proposes the re-appointment of Crowe Clark Whitehill LLP as the Company's Auditor and resolution 4 seeks authority for the Directors to decide the Auditor's remuneration.

Resolution 5 – Renewal of authority to allot shares

The Investment Association's Share Capital Management Guidelines (July 2016) confirm that it regards as routine an authority to allot up to two-thirds of a company's existing issued share capital, provided that any amount in excess of one-third of the existing issued shares should be applied to fully pre-emptive rights issues only.

In accordance with the Share Capital Management Guidelines, the Board is seeking authority to allot shares in the capital of the Company up to a maximum nominal amount of £538,022 (representing approximately two-thirds of the Company's issued share capital as at 22 May 2018). Of that amount, £269,011 (representing approximately one-third of the Company's issued share capital as at 22 May 2018) could only be allotted pursuant to a rights issue.

The authority would last until the conclusion of the AGM in 2019 or, if earlier, 20 September 2019.

The Directors have no present intention of under taking a rights issue or to allot any new shares other than in connection with employee share schemes or if required by the terms of any existing options or any existing warrants.

As at the date of this Notice the Company does not hold any ordinary shares in treasury.

Resolution 6 – Disapplication of pre-emption rights

Resolution 6 is a special resolution that, if passed by shareholders, will enable the Board to allot ordinary shares for cash without first offering those shares to existing shareholders in proportion to their existing holdings i.e. on a non-pre-emptive basis.

Resolution 6 will allow the Board to allot ordinary shares on a non-pre-emptive basis and for cash up to a maximum nominal amount of £80,703. This amount represents approximately 10% of the Company's issued share capital as at 22 May 2018. This resolution will permit the Board to allot any such shares for cash in any circumstances.

The Directors consider this authority necessary in order to give them flexibility to deal with opportunities as they arise, subject to the restrictions contained in the resolution.

Resolution 7 – Market purchase of own shares by the Company

Resolution 7 is a special resolution that, if passed by the shareholders, will grant the Company the authority to make market purchases of its own shares subject to the constraints set out in the resolution.

The resolution limits the number of ordinary shares that may be purchased to 8,070,338, representing approximately 10% of the Company's issued share capital as at 22 May 2018, and details the minimum and maximum prices that can be paid for ordinary shares excluding expenses.

The Companies Act 2006 allows companies to hold shares acquired by way of market purchase in treasury rather than having to cancel them. The Directors may use the authority to purchase ordinary shares and hold them in treasury (and subsequently sell or transfer them out of treasury as permitted in accordance with legislation) rather than cancel them.
